The PATRIOT CHALLENGE® Game

FACT SHEET

- Game:** **Patriot Challenge** is a board game that celebrates America using over 300 reproductions of stamp art to help tell the American story and challenge game players' knowledge of the United States of America.
- What Makes it Different:** **Patriot Challenge** is the first game about America to feature the colorful and historic stamp art seen on U.S. postage stamps. Each stamp selected represents something important to Americans: an event, famous person, or cultural reflection of American life. It's also fun, entertaining and educational, historical yet contemporary, and will bring out the patriot spirit in all players.
- Number of Players:** 3 – 6 players, Ages 10 and up.
- Objective of the Game:** Players travel through American history by going around the stamps on the game board. To win, players must use a combination of teamwork, strategy, and knowledge to be the first patriot to pass the year 2000.
- Game Pieces:** Game board, question cards, magnifying glass, game tokens, Instructions and Answer Key.
- Game Board:** Features 64 colorful stamp art reproductions arranged in a historical timeline that represent various milestones in American history: the Pilgrims arriving on the Mayflower, the California Gold Rush, the moon landing, and computer technology. Four blue spokes branching off the game board corners highlight stamps that reflect Americana: the Teddy Bear, PTA, and volunteerism. Also prominently featured on the game board are well known American symbols that include the Statue of Liberty, Capitol Building, and Mount Rushmore.
- Question Cards:** Red, white and blue cards, each with a different point value based on level of difficulty: basic, challenging, and expert-level. Players respond to the cards with answers, demonstrations, and discussions.
- Game Logo:** A red, white and blue flag-inspired torch.
